## Certificate of conformity of the factory production control No. 0965-CPR-1090/2915/982

In compliance with Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction product

### Aluminium structural components

placed on the market under the name or trade mark of the certificate holder and manufactured in the manufacturing plant mentioned on this certificate.

This certificate confirms that all provisions concerning the assessment and verification of constancy of performance (AVCP) described in Annex ZA of the standard

### EN 1090-1:2009 (+A1:2011)

under system 2+ are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

The first version of this certificate was issued by PROCERTUS or her legal predecessor on 30.12.2018. This certificate remains valid as long as neither the harmonised standard, the construction product, the methods for Assessment and Verification of Constancy of Performance (AVCP) nor the manufacturing conditions in the plant, are modified significantly, unless the certificate is suspended or withdrawn by PROCERTUS.

The validity of this certificate can be verified on <https://extranet-steel.procertus.be> or by scanning the QR code on this certificate.

Ir. C. Ladang  
General Manager

**Annex to the certificate of conformity of the factory production control nr. 0965-CPR-1090/2915/982 delivered on 19.12.2024.**

**Certificate holder**

Hydro Extrusion Netherlands B.V.  
Alcoalaan, 1

This certificate has been drawn up for products whose factory production control has been assessed and confirmed, and which are described in this annex by means of identification data and when applicable an indication of the levels and classes in which their performance may be found.

The performance of the individual product is declared by the manufacturer by means of a declaration of performance which he draws up and makes available under his own responsibility.

## Product description

Structural welded or screwed components in aluminium which are not covered by EN 40 or EN 12899, ... as per requirements of EN 1090-3

## Declaration method

2 - 3b

« Declaration of product properties by material properties and geometrical data »  
(1)

« Declaration of the strength value(s) of the component » (2)

« Declaration of the compliance with a given component specification » (3a)

« Declaration of the strength value(s) of the component from purchaser's order »  
(3b)

## Execution class

EXC1 - EXC2
