

Certificate of conformity of the factory production control

0769 – CPR – VAS – 00808 – 2

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Prefabricated aluminium structural components and kits

Technical Specification	Construction Product	Method of Declaration
EN 1090-3	EXC1 – EXC4 aluminium materials CNC-machining, cutting, drilling, corrosion protection, anodizing, powder coating without welding technical processing	ZA 3.2 according to DIN EN 1090-1

placed on the market under the name or trade mark of and produced in the manufacturing plant

Hydro Extrusion Hoogezand B.V.

Nijverheidsweg 9, 9601 LX Hoogezand, Netherlands

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1090-1:2009 + A1:2011

under system 2+ are applied and that

the factory production is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 23 September 2020 and will remain valid until 22 September 2025 as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Karlsruhe, 23 September 2020

Head of the certification body

Univ.-Prof. Dr.-Ing. T. Ummerhofer
